ABOUT

What everybody looks for in a tropical resort hotel. Sea, sun swimming to make your spirits soar. A light, flowing, relaxed environment to soothe your soul.

Springfield @Sea, very 21st century, is where some of the most stylish new digs are happening. Laid-back for young families, this is a tropical resort that also offers adventure around every corner.

Our architects have created a fusion experience that unites luxurious living with nature. Our flowing architectural configuration leads you instinctively from one experience to another. Soon you will find Springfield @ Sea a hypnotically relaxing sanctuary.

We feature 105 rooms, some ninety percent of which offer you fantastic panoramic views of the sea and beach from your private sweet-scented botanical verandas.
